

Spotlighting...Coeur d'Alene!

The city of Coeur d'Alene has grown significantly in recent years due in large part to a substantial increase in tourism. Coeur d'Alene has a wealth of recreation and attractions in a stunning natural setting. The city's Christmas lighting ceremony has been broadcasted on national television because its display is among the largest in the country. Coeur d'Alene is also located near two major ski resorts: Silver Mountain Resort to the east in Kellogg, and Schweitzer Mountain Ski Resort to the north in Sandpoint.
