Spotlighting...Boise, Idaho!

Nestled in the Treasure Valley against the majestic foothills, Boise is part of a thriving metropolitan area of over 550,000 residents. Boise is the largest metropolitan area in Idaho and also the most remote metropolitan area in the United States, fostering a unique sense of community. Situated where the high desert meets the western edge of the Rocky Mountains, Boise is the gateway to exceptional recreational opportunities including: world famous white-water rafting, Nordic and Alpine skiing, snowboarding, hunting, fishing, backpacking and camping. Hiking, biking and fishing are also popular activities right in the metro area, accessed by miles of greenbelt along the Boise River. The foothills provide trails for hikers and bikers of all abilities. Whatever brings you to Boise, we have two beautiful properties conveniently located in the Boise area. Visit us today!
