Spotlighting...Idaho Falls, ID!

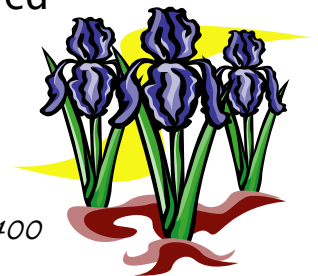

Situated along the Snake River at the western edge of the world famous Rocky Mountains, Idaho Falls has all the features of big city living, but still embraces a small town charm. The skyline consists of the majestic Teton Mountain Range, and in its backyard is the world's most famous park - Yellowstone National Park.

Idaho Falls offers its own symphony, opera, chamber orchestra, community drama, performing arts groups, museums, zoo, and of course a minor league baseball team. You will not be able to say you were bored while visiting!
