Spotlighting... Idaho Falls!

Nestled among the Rocky Mountains in the Snake River Plain, beneath the shadow of the Grand Tetons, Idaho Falls is a place worth exploring. Sink your hooks into world-class fishing holes, ballpark hotdogs, or any of four championship-caliber golf courses. Looking for more? Drive alongside bison and bears in Yellowstone National Park or Grand Teton National Park. Or, discover a new world at the Craters of the Moon National Monument.

Whatever your outdoor interest, it's all just a stone's throw away from Idaho Falls. We have two beautiful properties conveniently located to visit one of these wonderful attractions in the Idaho Falls area. Visit us today!
